

# EMPLOYMENT ONTARIO

## *You are Invited to* The Changing Landscape of Employment

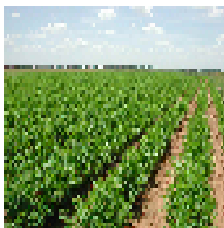

Workforce Planning Board  
of Waterloo Wellington Dufferin

### Did you know?

For every 100 jobs lost, 131 are being created in the Professional, Scientific and Technical Services sector.

The number of Transportation Equipment manufacturers fell slightly from 155 to 153 businesses between 2007 and 2009. 11 of these businesses are located in Dufferin County, 59 are in Wellington County and 83 are in Waterloo Region.

The number of Crop Production businesses increased between 2007 and 2009, however, for every 100 jobs only lost 65 are being created.

The Workforce Planning Board of Waterloo Wellington Dufferin is pleased to present key findings from recent research and our Labour Market Supply and Demand Study.
