

Workforce Planning Board Monthly Labour Force Survey Employment Stats Covering the Month of February 2011

The Workforce Planning Board thanks the 68 employers who participated in this month's survey regarding their workforce. The next one will be distributed on Tuesday, April 5 and close on Friday, April 8. If you would like to be added to the distribution list, please e-mail to info@workforceplanningboard.com

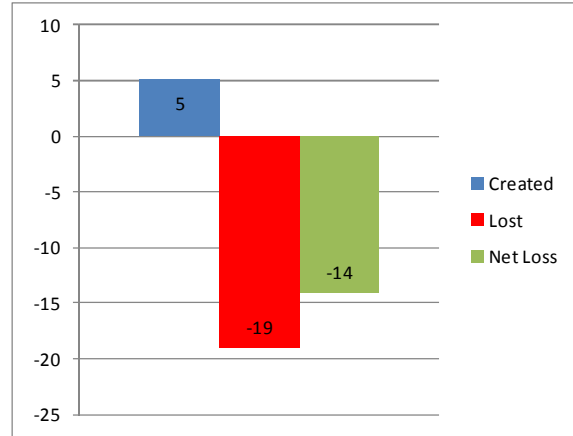

Here are highlights from the survey conducted in March 2011 covering the month of February 2011.

Overall Jobs Gained/Lost

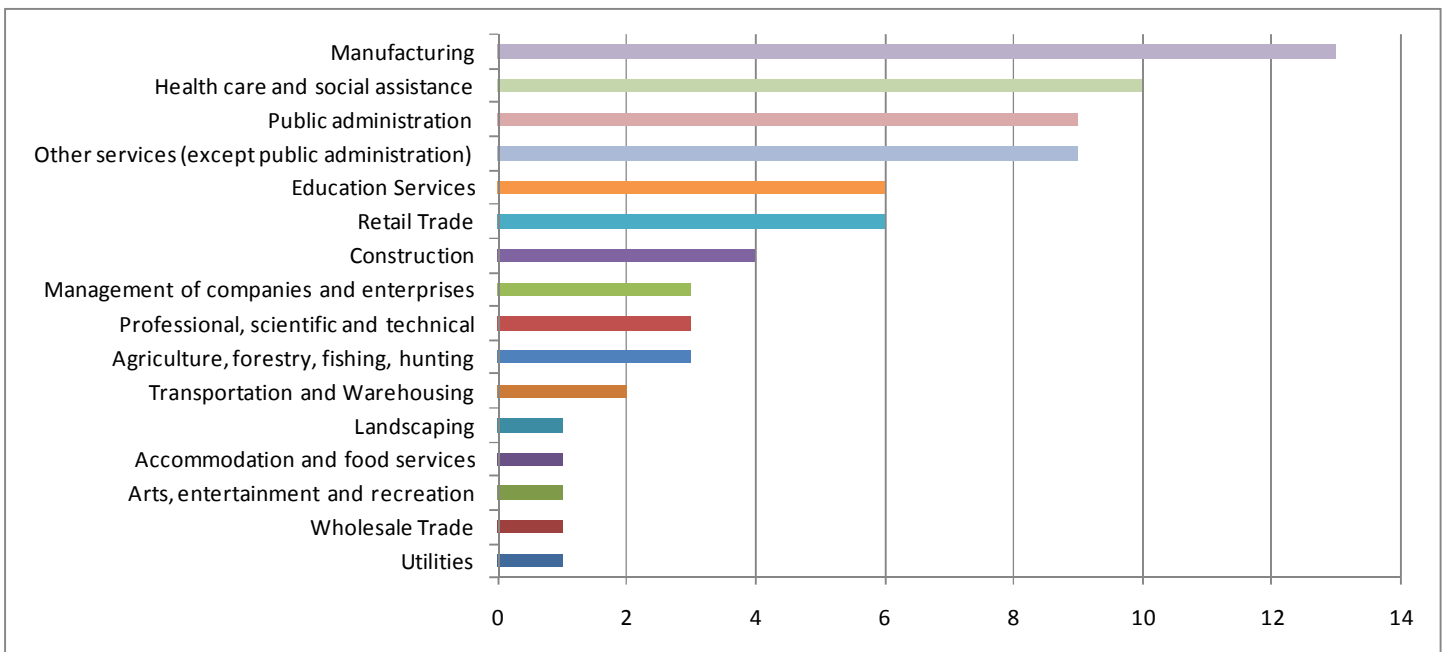

The total number of jobs created, both full and part-time, was 36 while the number of jobs lost was 22 for a net gain of 14.

Manufacturing Jobs Gained/Lost

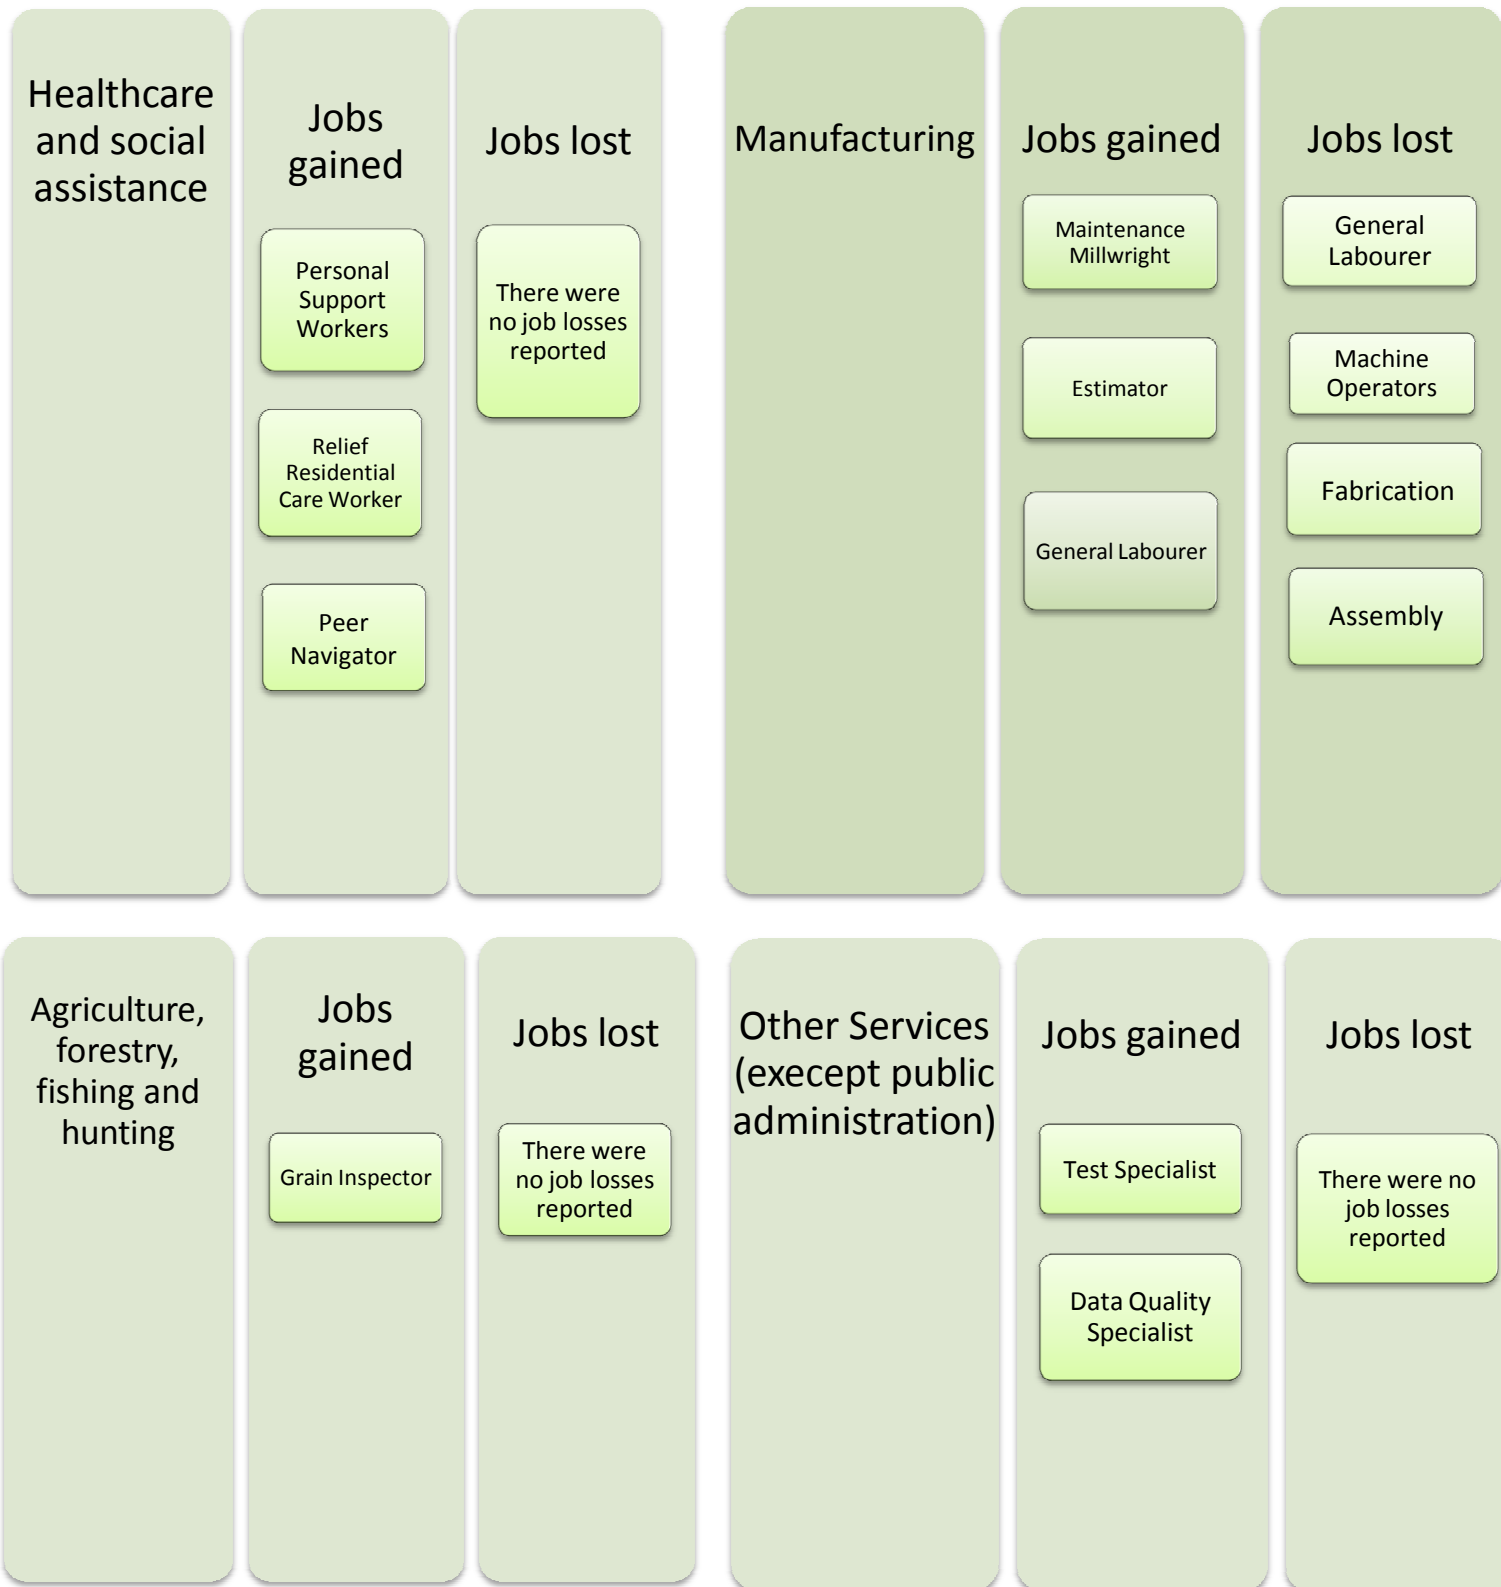

The number of manufacturing jobs created, both full and part-time, was 5 while the number of jobs lost was 19 for a net loss of 14.

The following chart shows the number of companies from each sector who participated in the survey:

The following charts show a sample of the types of occupations added or lost during the month of February by the top 4 sectors. Healthcare and social assistance had the largest increase of 17 and Manufacturing lost 19 positions:
