

Workforce Planning Board Monthly Labour Force Survey Employment Stats Covering the Month of March 2011

The Workforce Planning Board thanks the 62 employers who participated in this month's survey regarding their workforce. The next one will be distributed on Tuesday, May 3 and close on Friday, May 6. If you would like to be added to the distribution list, please e-mail to info@workforceplanningboard.com

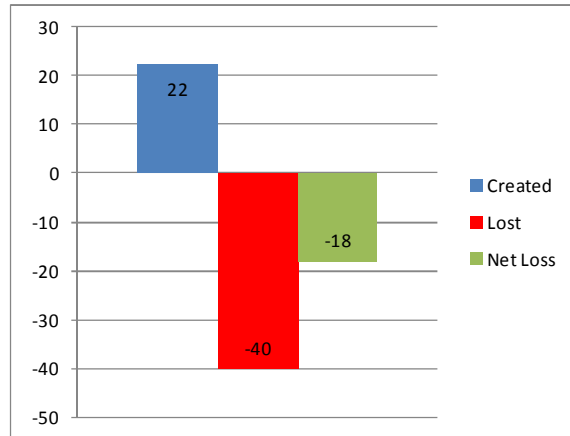

Here are highlights from the survey conducted in April 2011 covering the month of March 2011.

Overall Jobs Gained/Lost

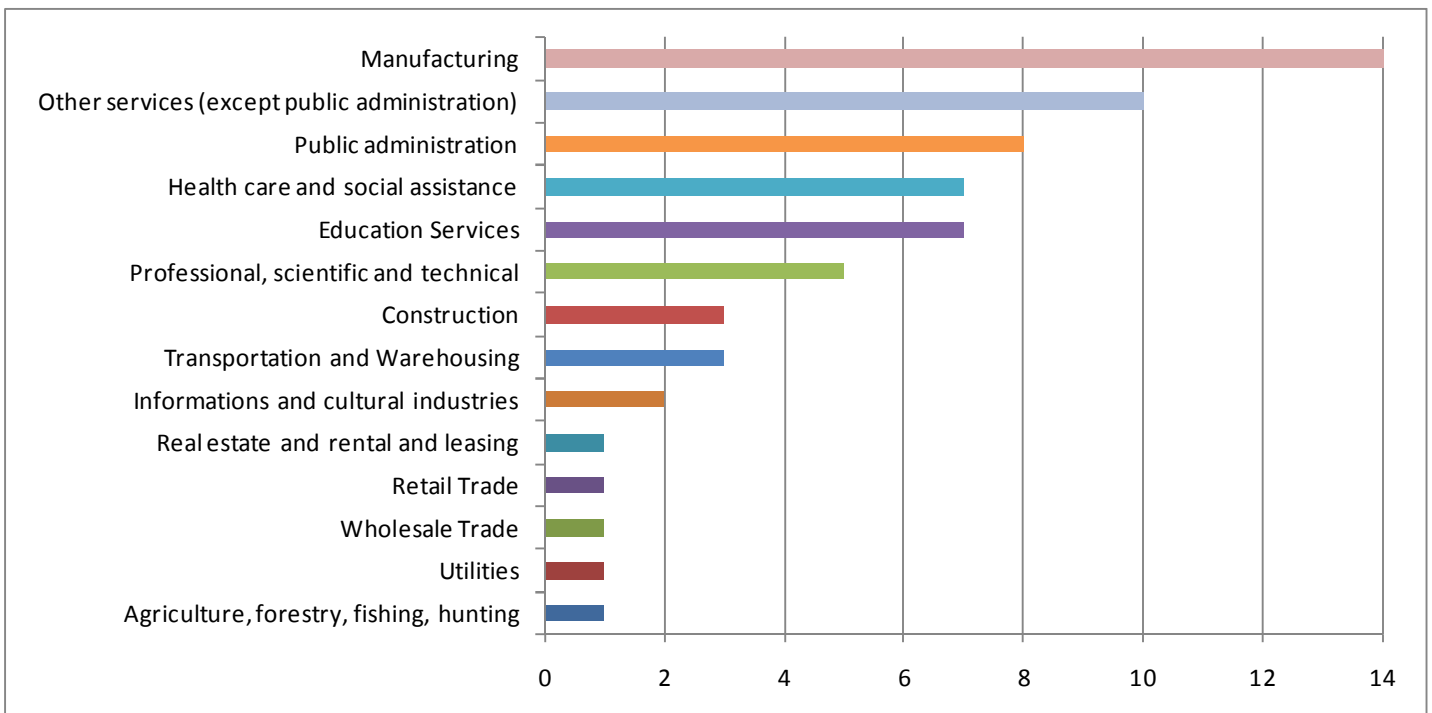

The total number of jobs created, both full and part-time, was 64 while the number of jobs lost was 54 for a net gain of 10.

Manufacturing Jobs Gained/Lost

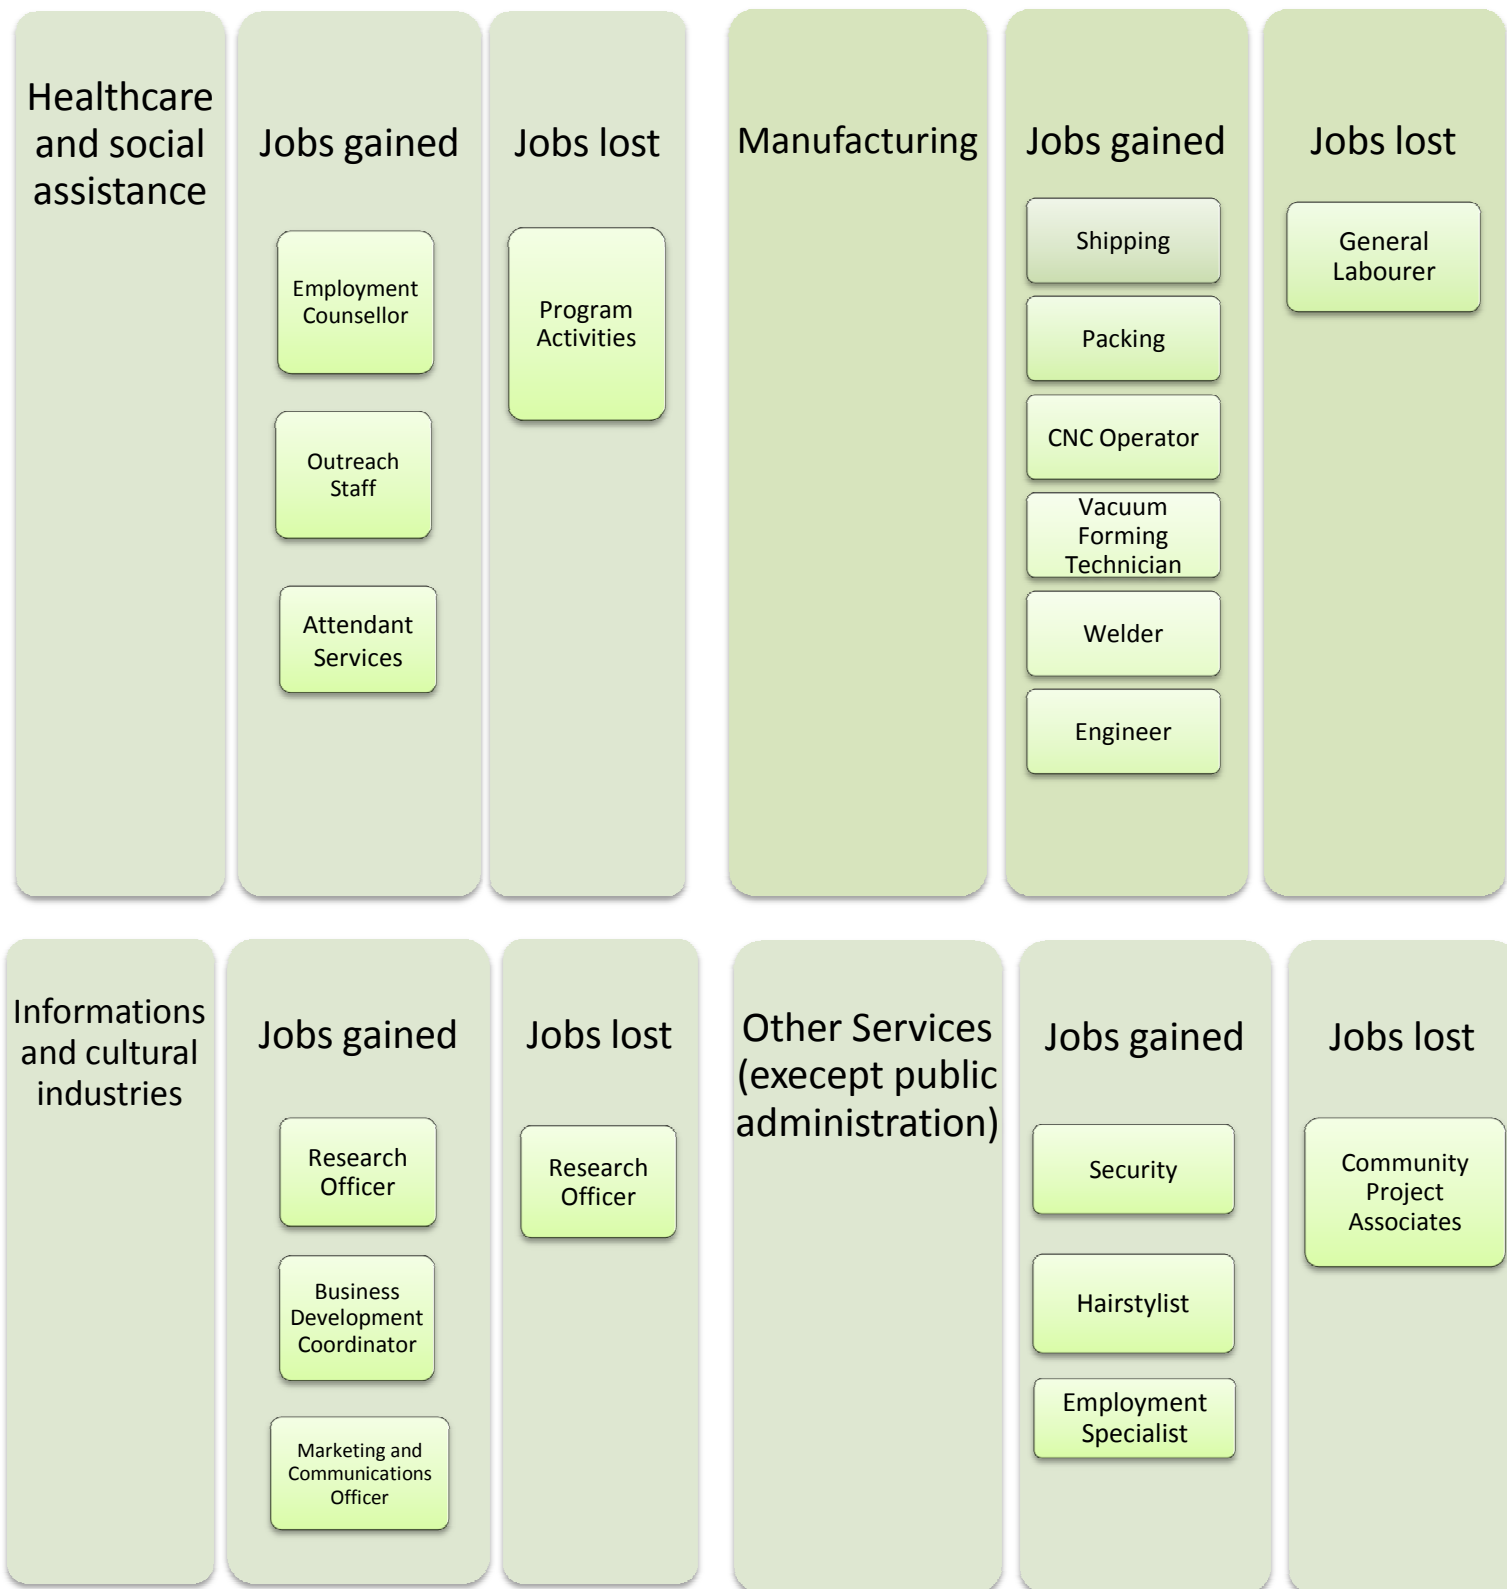

The number of manufacturing jobs created, both full and part-time, was 22 while the number of jobs lost was 40 for a net loss of 18.

The following chart shows the number of companies from each sector who participated in the survey:

The following charts show a sample of the types of occupations added or lost during the month of March by the top 4 sectors. Manufacturing had the largest increase of 22 positions and also the greatest loss of 40 positions:
